**NOTICE REGARDING TAX DUCTIBILITY OF NFDA AND KFDA DUES**

Generally, funeral homes that pay NFDA and KFDA dues are able to deduct 100% of those dues as ordinary business expenses for federal tax purposes. However, due to the recently enacted Budget Revenue Reconciliation Act of 1993 (the "Act"), any dues revenues utilized by a professional or trade association for lobbying purposes cannot be deducted by the member who paid the dues. In accordance with the Act, the National Funeral Directors Association and the Kansas Funeral Directors and Embalmers Association are hereby notifying their membership that they estimate that 5.0% of 2017 NFDA dues and 7.56% of 2017 KFDA dues paid by a member will not be deductible as ordinary business expense for federal tax purposes. This estimate is to be utilized by NFDA and KFDA members in determining what portion of their NFDA and KFDA dues are deductible.

It is understood and agreed that membership in the NFDA is conditioned upon adherence to the NFDA Constitution, Bylaws and Code of Professional Conduct. Violations of any of these may result in disciplinary measures imposed by NFDA including, but not limited to, expulsion from membership.
